

# NATIVITY *of* MARY SCHOOL

## Dear Nativity Family:

**THANK YOU** for choosing Nativity of Mary School for your child's education during the 2017-18 academic year. We are honored to partner with you. Our staff is dedicated to our mission: *"To foster academic excellence and spiritual growth while preparing students to become responsible citizens in a global society."*

**Nativity of Mary School Advisory Council and Parish Finance Board** strive to keep tuition affordable while balancing our school budget. This year, your tuition for families of one child will only increase by \$20 a month. For families with two or more children, your tuition only goes up by \$40 a month.

**We are excited to offer you one of the lowest tuitions in the Archdiocese Metropolitan Catholic Schools, while ensuring a school of academic excellence!**

- \$4,900 for one child
- \$6,600 for two children
- \$7,600 for three or more children

**In addition, your family is eligible for scholarships.** This year, you do need to apply early to be eligible for the **Aim Higher** and **Catholic Community Foundation** grants.

- Please complete your TADS by **Feb. 15, 2018**.
- Go online to: [www.tads.com](http://www.tads.com)

## NEW FOR REGISTRATION!

- Watch for an email from TADS to complete your 1-8 registration for 2018-19- online!
- New students in Preschool and ALL Kindergarten students are asked to complete the paper application.

**We continue to thrive at Nativity of Mary School.** Our school is growing with 345 students to date, compared to 338 last year, and 309 just two years ago. We have a rich, vibrant community, with highly trained teachers, and educational opportunity that is unmatched in area schools. We thank you for your partnership in the education of your child and look forward to continuing this relationship during the 2018-19 academic year.

Blessings,

*Mindy Reeder*

## JUNIOR ROBOTICS

Grades 1-5

All new projects! 21st Century Robotics Enrichment using LEGO® bricks. Each {YEL!} Junior Robotics class follows four basic components:

- **Teach It!**...Each class students are taught the basic STEM engineering concepts behind each project.
- **Build It!**...Students use LEGO® bricks to build a walking giant, ferocious lion, terrible pterodactyl and more.
- **Program It!**...Then they program that project to walk, roar, flap its wings and more using drag-and-drop icon-based software.
- **Play It!**...Finally they play with their project, modify it, create extensions and have fun working with it.

Sign up today to THINK, LEARN and PLAY WELL with {YEL!}.
