**Are you looking for quality  
school-age summer childcare  
that is safe, fun, friendly and  
affordable?**

**We have the answer for you!  
At Creative Clubhouse you can  
make friends, play games, learn  
sports, increase confidence,  
play outdoors, make crafts, go  
on field trips, swim, gain social  
skills and**

## **HAVE FUN!**

---

**Our summer program averages 30 – 35  
children. Creative Clubhouse has separated  
areas whereby the children are split by ages.  
However, the children will do some activities  
together because the older children are very  
good mentors for the younger ones.**

**The summer program is very active and busy.  
We swim twice a week at Valley View Pool  
which has zero depth entrance, field trips on  
Wednesdays and Fridays are left up to the  
teacher's choice. Tuesdays are theme days  
where all the activities from 10 AM – 3 PM are  
planned around a theme. The children are  
split into 4 age groups and rotate from one  
station to another. For example, the Pickle  
Theme Day included activities of playing  
softball using pickles for the ball, discussing  
and tasting 5 different pickles and charting  
them on a graph, pickle plunging with their  
toes, pickle spitting and eating contest.**

**If you wish to tour Creative Clubhouse and  
see what we have to offer, please call Connie  
at (952)881-9103. References are available  
upon request!**

**To register, submit a completed enrollment  
form along with the registration/activities  
non-refundable fee per child. The fee per  
child is \$50.00 for summer and/or \$50.00 for  
the school year.**
