

Daggett Daily

Week of September 15, 2019

This week we will celebrate and explore apples! Ask your child about The Little Red House with no doors or windows and a star inside. We will have a taste test, make applesauce and create mosaic apples for our windows in Art.

Apple Book: Look for a fun book of friends to come home, keep it for one night and send it back to school. Enjoy!

Religion: Promise is a lectionary-based curriculum. Each Seeds lesson is built around the theme of the Sunday Gospel, so Jesus' story is the heart of every lesson. Each Monday the children hear the Sunday Gospel in their religion class, use the illustrations to retell it, and explore through stories and activities how they can live the Gospel in their families. Look for one to come home next Monday.

Next week in Science: we will begin our Foss unit on trees. We will learn the parts of a tree and adopt a tree in our schoolyard. We will watch it change throughout the year.

*Sharing for Monday: TREES anything from stories to bark.

Reading: We have started journaling. The students have a notebook that they will write in each week. We start each page with the date and draw a picture. We label the picture with beginning sounds and continue on thru the year to writing a 5-point sentences. It is amazing to watch how they grow! Our color word this week is yellow!

Super Kids: we had fun meeting Cass and ask your child today about Oswald and his odd animals! Look for an email from Super Kids and sign your child up! It is a great site to practice sounds we have learned and hear stories.

Kind Heart! Our first Kind Heart is Aylin! We are excited to learn more about our new friend!

Picture day is Friday! Your child may be out of uniform or in uniform it is up to you. We will have individual pictures taken and then they will put them all in a class picture.

Heritage Days Parade: September 21! We are encouraging all families to come and walk in the parade. Please look for an email about donating candy. Heritage Days is one of our volunteer assignments this year. I hope to be there too!

Substitute Teacher this week! I will be gone Wednesday- Friday my husband is having his hip replaced at the Mayo in Rochester. This will be his second hip replacement and did great the first time. Keep us in your prayers and chat with your kids about being good listeners. I have Alyson Benz coming in on M& W and she's awesome. They will love her! Mrs. Milenacker will be here on Thursday. They will also love her. It is hard to leave so early in the year but they are such a sweet group and will do fine.

Please call Wanda if there are any changes in schedules.

Reminders: Please send an apple this week to share!

Mass is on Thursday! Don't forget your VEAP

Enjoy the week! Kathy
