

Do you find yourself saying, “Bring on more science experiments, building devices, and the hands-on projects”?

Ms. Maeser will be holding a S.T.E.M.-based science camp once a week over the summer to build on previous skills, promote exploration, and to basically encourage engineering throughout different subject areas!

*(S.T.E.M. stands for science, technology, engineering, and mathematics)*

**WHO:** Current 3<sup>rd</sup> graders going into 4<sup>th</sup> grade in the fall  
Current 4<sup>th</sup> graders going into 5<sup>th</sup> in the fall
