

NATIVITY^{of}MARY

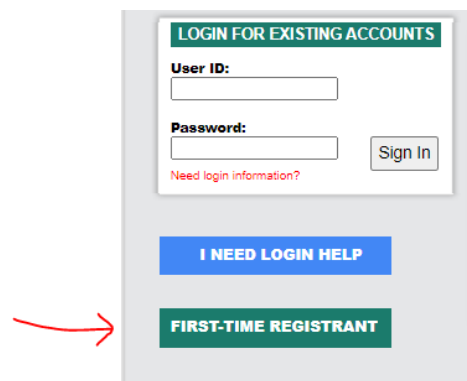

SAFE ENVIRONMENT TRAINING

Nativity relies on volunteer hours provided by our parents, grandparents, aunts, uncles, alumni, and friends of the school. If you plan to volunteer at the school, chaperone a field trip, or work directly with students, you must complete a background check, Virtus training, and the code of conduct. This **MUST** be completed at least 3 weeks prior to participating in any school events.

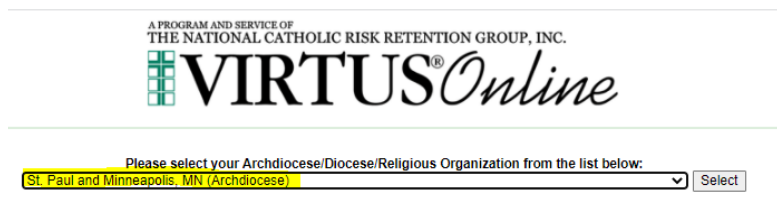

Tip: When completing Virtus online registration, please use a computer instead of a phone, as steps and boxes can be easily missed on smaller screens.
