Meeting Structure

Nativity's cub scout pack meets once a month from September through May. Meetings are typically on the second Monday of the month, at 6:30 p.m. Meetings are often on-site at Nativity of Mary but may also be held off-site. You can view the proposed calendar for 2021-2022 school year here:

Nativity's cub scout dens also meet once per month. Each den sets their own regular meeting date and time at the beginning of the year. Depending on COVID-19 protocols, meetings are typically held at Nativity of Mary School. One parent must stay with the scout for the duration of each pack or den meeting (no drop-offs). Siblings are always welcome.

Special pack events typically include a Pinewood Derby race, Blue & Gold Award Banquet, and overnight campout. Many other opportunities are available to scouts through the district (day camps, etc.).

Advancement

Each scout must work with his den and family to accomplish various requirements and electives to earn a rank. Most requirements are typically met during the course of den meetings, but some homework may be required. Individual scouts' achievements are typically acknowledged at the following pack meeting, with the corresponding belt loops/pins/badges being handed out.

Training

All cub scout leaders receive Youth Protection Training (YPT). Annually, each scout is required to complete exercises with their parent related to child abuse prevention and online safety.
